

3 Width Rear Blades For Up To 70 Horsepower Tractors

Our 70 horsepower **Rear Blade** features a Category 1 and 2, 3-point hitch, so it is an excellent match for large Category 1 and the lower horsepower Category 2 tractors. The unique ratchet turnbuckle allows for easy adjustment of blade offset of up to 24 inches right or left.

The tilt, angle, offset, and reverse positions are all easy to adjust, so that any grading or ditching operations can be done.
