

5 In 1 Sprayers - Just Clamp On The Spraying Attachment You Require

AIR BLAST SPRAYER

VERTICAL BOOM SPRAYER

HANDGUN SPRAYER

BERM BOOM SPRAYER

HORIZONTAL BOOM SPRAYER

You will achieve total versatility and economical performance from our line of **3-Point Hitch Sprayers**. This is achieved by making available 5 different attachments that simply bolt to the sprayer. Thus, the sprayer can be used as an air blast, vertical boom, berm boom, horizontal boom and/or handgun sprayer. The sprayers also feature reinforced polyethylene tanks, suspended from a tubular steel frame to isolate the tanks from vibration and stress. Other unique features of the sprayer is the two additional tanks. A hand wash tank for convenience and safety. The other clean water tank is for flushing chemical residue from the tank and pump, so that your sprayer is in top condition for its next use. These sprayers are a great value at an economical price.

FEATURES:

- Category I, 3-point hitch on 50 gallon, Category I & II hitch on 100, 150, & 200 gallon
- Tanks are made of reinforced polyethylene with smooth lines that are gentle to plants
