

Available For Universal, John Deere, & Global/Euro Quick Attach

**2300 Lb. Capacity
Shown**

**3750 Lb. Capacity
Shown**

FEATURES:

- ❑ Available in 2300, 3750 & 5500 lb. capacities
- ❑ Fork tines available in 42" and 48" length
- ❑ Exclusive load retention hook for securing and positioning pallet loads
- ❑ Solid tine positioning with spring loaded toggle operation
- ❑ Easy loading with tapered tines

The new heavy duty frames are designed to handle both the 3750 and 5500 lb. capacity forks. The 10 gauge brickguard offers outstanding strength and smooth surface for protection and less load damage. Also, the convenient non-skid step offers easy operator access, except 2300 lb. capacity. The tine end visibility is excellent.
