

Medium Duty Series

ROTARY MOWERS

These **Gearmore Rotary Mowers** are the economical answer for medium duty use in weed and brush mowing. Special built-in features include floating hitch that follows the contour of the terrain, heavy round spindle pan to protect the gearbox, strong 8" I beam side channels for added strength, laminated tailwheel, and slip clutch driveshaft; all engineered to assure years of trouble-free service.

Model L72-60HD Shown with Optional Chain Shielding

FEATURES:

- ❑ Floating hitch design follows the contour of the terrain
- ❑ Heavy 8" I beam sides with ribbed crossmembers gives added strength
- ❑ Slip clutch driveshaft to prevent damage to mower and tractor
