

FLAIL MOWERS "SLE" SERIES

This Gearmore mower series was developed for mowing weeds and light brush with side slicing Y blades. All models are also available with finish mowing cup blades for mowing grass. Standard features include ASAE quick attach 3-point hitch, low profile design, center mount or offset, adjustable rear roller with mud scraper and many more.

These flail mowers were designed to achieve fine shredding on cover crops, parks, schools, pastures, and light weed abatement.

FEATURES:

- Cat. 1, 3-point hitch - quick hitch compatible
- 45 HP, 540 RPM gearbox
- Available with side slicing Y blades for light brush up to 1/2 inch or grass finishing blades
- Center mount or offset 9 inches to the right
- Rotor speed 2340 RPM, with blade tip speed of 8267 feet per minute
- 3 Belt final drive with automatic belt tightening spring system
- Heavy rear roller with height adjustment and mud scrapers
- Low profile design for clearance
- Two adjustable parking stands to allow easy "hook-up" to quick hitch tractors
- Safety chain shielding in front, rubber rear deflector
- Shear pin driveshaft
