

3-IN-1 SOIL CONDITIONERS

TILLS, LEVELS, & FINISHES SOIL IN A SINGLE PASS

**GSC10 With
7" Sweeps**

**1 3/8" Reversible Point or
7" Sweep**

This Gearmore implement combines three different operations in order to obtain the maximum in soil conditioning. First the vibrating "S" tines break up the ground, then the spring loaded spike tooth bar levels and breaks up clods. The final operation is the spring loaded 12" diameter crumbler roller, which mulches and finishes leveling the soil. These Soil Conditioners are ideal for vineyards, orchards, nurseries, berries and general field work.
