#### INTRODUCTION

We welcome you as an owner of a Gearmore Rotary Harrow. Please read this manual carefully and follow the instructions to get the most value out of this product.

#### ASSEMBLY INSTRUCTIONS

When you receive your Rotary Harrow, hook it to your tractor using the top link - tilt the harrow back approximately 1" to 2". Looking at the back of your tractor, the right lift arm is adjustable. Lower the right side of the harrow approximately 3". This will cause the harrow to spin clockwise and throw dirt to the left. One or two turns on your adjustments can make a lot of difference, so it is something you need to play with, as each application is a little different

When you are working the arena, start down the middle and *always* turn to the right so you drag the low side with you instead of forcing it to the ground. Stay about 3' from the fence line. After you have worked the entire arena, go counter clockwise, laying the low side against the fence, throwing all the dirt back into the middle.

Your Rotary Harrow is equipped with a sealed bearing hub. Repack bearings annually or every 100 hours of use. *Always* make sure the dust cap is on, keeping dust and sand out of the bearings.

# GRH-B BOLT ON ROTARY HARROW SPIKE INSTALLATION INSTRUCTIONS

- 1. Thread bolts provided with jam nuts into spike pockets.
- **2.** Align dimples in spikes with the end of the bolts inserted into spike pockets.
- **3.** Tighten bolts and torque to between 35 and 45 ft./lbs.
- 4. Tighten jam nuts to lock bolt into position.
- **5.** Re-tighten bolts to specified torque after 1 or 2 hours of usage.

\*DO NOT over tighten bolts or damage to spike pockets may occur.

#### LIMITED WARRANTY

## GERRMORE INC.

GEARMORE, INC., warrants each new Gearmore product to be free from defects in material and workmanship for a period of twelve (12) months from date of purchase to the original purchaser. This warranty shall not apply to implements or parts that have been subject to misuse, negligence, accident, or that have been altered in any way.

Our obligation shall be limited to repairing or replacement of any part, provided that such part is returned within thirty (30) days from date of failure to Gearmore through the dealer from whom the purchase was made, transportation charges prepaid.

This warranty shall not be interpreted to render us liable for injury or damages of any kind or nature, direct, consequential or contingent, to person or property. This warranty does not extend to loss of crops, loss because of delay in harvesting or any other expenses, for any other reasons.

Gearmore in no way warranties engines, tires, or other trade accessories, since these items are warranted separately by these respective manufacturers.

Gearmore reserves the right to make improvements in design or changes in specification at any time, without incurring any obligations to owners or units previously sold.

GEARMORE, INC. 13477 Benson Ave. Chino, CA 91710

Always refer to and heed machine operating warning decals on machine.

The serial number of this product is stored in our computer database, thus submitting a warranty registration card is not required.
