

FLAIL SHREDDERS GHF SERIES

DESIGNED FOR EXTREME DUTY BRUSH SHREDDING

GHF90 Shown

This shredder is specially designed for severe conditions. Tall grass and weeds, cover crops, orchard prunings and even citrus brush are no match for this heavy duty machine. The 3 lb. drop forged hammer knives shred branches up to 4" in diameter. The 2000 RPM large diameter rotor makes a fine mulch. Designed to insure years of trouble free usage.
