Our SFG Series of flail mower/shredders feature fixed center mount, manual or hydraulic side shift. The narrow shredders are fixed center mount. The two largest shredders are manual offset, return to center with optional hydraulic offset. Two style of blades can be purchased, hammer knives or double Y blades. These blades are also interchangeable on the same shredders. The low profile design of the machine aids when working in tight areas. These are popular mowers in vineyards, berries, roadides, weed abatement, rental yards, etc.
FEATURES:
- Cat. 1 ASAE quick hitch, 540 RPM tractors
- Fixed center mount hitch, except SFG185/200
