FIXED CENTER MOUNT, OFFSETTABLE FLAIL SHREDDERS

FEATURING OPEN TAILBOARD WITH DEFLECTORS & ADJUSTABLE GAUGE WHEELS

Model TR255 Shown

Our TR Series shredders feature a 90 horsepower gearbox, center mount with offsettable position, special lockable open tailboard with optional deflector brackets for spreading out shredded material, and adjustable foldaway gauge wheels.

The shredders are available with Y type blades for lighter material and hammer knives for heavier brush.

These units are excellent for all types of farm use and weed abatement.

Optional Deflectors Shown
