

GEARMORE® "N" SERIES

ROTARY TILLER 50-70 HP Tractors

CAT I & II
A. S. A. E.
QUICK
HITCH
COMPATIBLE

These medium duty tillers feature a smooth running, all gear drive system. Powered through a heavy 70 horsepower gearbox to an all gear final drive. The tilling action provides a uniform mixture throughout the cultivated depth. Producing loose textured soil that holds moisture and reduces erosion.

These are the ideal tillers for farm, vineyard, orchards, landscapers, nurseries, etc.

FEATURES:

- Cat. 1 & 2, 3-point hitch
- 9" Approximate tilling depth
- One speed gearbox, 540 RPM
- For tractors up to a maximum of 70 HP
- Strong, smooth running, all gear final drive
- Slip clutch driveshaft to protect tractor and tiller drive system
- Curved saber style, heat treated, long wearing tines
- Tines staggered in scroll design for easy soil penetration
- Powder coated, baked-on paint to reduce corrosion
- Side mounted skids for depth control
