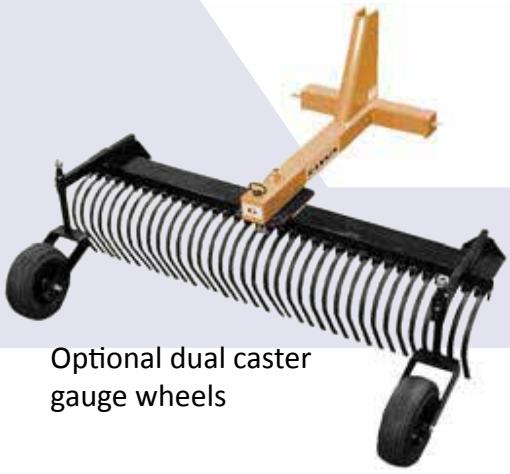
LANDSCAPE RAKES

30 - 60 HORSEPOWER

LEVEL UP YOUR LANDSCAPING.

Our medium-duty Landscape Rakes are engineered for tractors up to 60 horsepower. Perfect for a variety of tasks, these rakes excel at general grooming, soil preparation, and the removal of rocks, roots, and debris. With five forward and reverse positions, you can easily windrow materials or push them into low spots, ensuring your landscape looks its best. Whether you're spreading crushed rock or topsoil, our Landscape Rakes are an essential tool for any outdoor project.



Optional dual caster gauge wheels
