OFFSET DISCS

"300" SERIES

DELIVERS DURABLE PERFORMANCE.

The Gearmore 300 Series Offset Discs are ideal for light and medium tillage conditions. We offer sizes from 4'-6" to 9'-9"; for vineyards, berries, narrow row orchards, general field cultivation, etc. The offset design enables maximum penetration and even tillage of soil. Heavy construction with 22 inch diameter blades in notched or smooth, self leveling hand crank, and triple sealed bearings. Built in the West for tough, western conditions.
