TANDEM DISCS

"GRT" SERIES - REVERSIBLE

DON'T LET YOUR EQUIPMENT SLOW YOU DOWN. OUR REVERSIBLE DISCS ARE ENGINEERED FOR UNBEATABLE DURABILITY.

Our heavier duty series of reversible vineyard discs were designed for maximum strength. The frame was built with heavy wall tubing for additional weight in tough soil conditions. The disc has 24" diameter plain blades front and rear. The 3-point hitch is Cat. II quick hitch. The reversible hitch can easily be remounted on the opposite end of the disc when required. Also available in pull type.

Model GRT24P-HD-18 shown
