REAR BLADES

6 & 7 FOOT - FOR 30 TO 50 HORSEPOWER TRACTORS

THE PERFECT MATCH FOR YOUR MID-SIZE TRACTOR.

The Gearmore Rear Blades are the answer for your mid-size tractor earth-moving requirements. These blades feature "Beam Swing" offset, which allows the heavy 4" x 4" beam to swing right or left to obtain maximum offset. Tilt, angle, offset and reverse positions are easy to adjust so that any grading or ditching operation can be done. Parking stand is now standard equipment.
