TANDEM DISCS

"DH" SERIES

EASY & POWERFUL.

The Gearmore "DH" Series of 3-point Tandem Discs feature ASAE quick hitches for easy tractor mounting. The clevis type 3-point hitch brackets give the discs added strength. The disc gang handles allow for easy disc gang adjustment by one person. The front discs are notched for aggressive cutting and the smooth rear blades level out the soil. There are many applications for our tandem discs, such as: landscapes, nurseries, gardens and small farms.
