AIR BLAST SPRAYERS

"APL" SERIES

RELIABLE PERFORMANCE WITH MINIMAL MAINTENANCE.

Our compact Air Blast Sprayers are ideal for small to medium size vineyards, orchards, berries, etc. The sprayers feature reinforced polyethylene tanks, with smooth lines that are gentle to the plants. The tanks are suspended from heavy duty tubular steel frames to isolate it from vibration and stress. The gearboxes have a neutral position, which shuts off the fan during handgun or boom work. The sprayers are easy to operate and have all the features required for easy maintenance and long life.
