BOOM & HANDGUN SPRAYERS

VERTICAL BOOM, HORIZONTAL BOOM AND/OR HANDGUN HOSE REEL

ULTIMATE SPRAYER VERSATILITY.

You will achieve total versatility and economical performance from our line of 3-point hitch sprayers. This is achieved by making available 3 different attachments that simply bolt to the sprayer. The sprayers feature reinforced polyethylene tanks, suspended from a tubular steel frame to isolate the tanks from vibration and stress. Other unique features of the sprayer is the two additional tanks. A hand wash tank for convenience and safety. The other clean water tank is for flushing chemical residue from the tank and pump, so that your sprayer is in top condition for its next use. Our sprayers have a number of attachments that easy to bolt to our rear brackets. The options are: manual booms, hydraulic boom, hose reels, hose and handguns.
