AIR BLAST SPRAYERS

VALUE SERIES WITH FEATURES OF HIGHER PRICED SPRAYERS

VALUE MEETS PERFORMANCE.

Our Value Series 50 and 100 gallon Air Blast Sprayers have the features of the higher priced sprayers, but at more affordable prices. These sprayers have outstanding features such as: reinforced smooth lines polyethylene tanks; hot galvanized frame and fan housing to prevent rust; top of the line smooth running 3 piston diaphragm pumps; high speed fans with adjustable blades; gearbox with neutral for handgun and boom operations; built-in fan deflectors to direct the spray where required. The sprayers even have a separate safety fresh water tank for handwashing. The sprayers are an excellent value for grape and berry growers.
