DUMP TRAILERS

4 & 5 TON CAPACITIES

STOP WASTING TIME & MONEY ON HAULING.

These trailers feature a unique 3-way dumping system, with right, left and rear hinged panels. These dumping options allow for quick, easy trailer spotting for exact location of material drop. Any user who needs to "haul and dump" will find these trailers save time and money. Some of the popular uses are golf courses, parks, cemeteries, landscapers, growers and ranchers. The extra heavy frame and ribbed side panels will give many years of trouble-free use. Available in 4 ton single axle or 5 ton tandem axle.

Single axle, 4 ton capacity shown

Right side dump

Left side dump

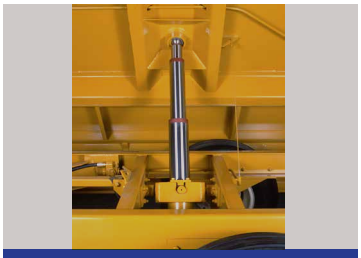

Rear dump
