DUMP TRAILER

1.5 TON CAPACITY, REAR DUMP

HAUL ANYTHING, ANYWHERE, WITH CONFIDENCE.

Our 1.5 ton capacity Dump Trailer comes set up with hand pump tilting system. Stored under the box are clevis hitch, ball hitch and hoses for using tractor hydraulics to tilt. The walking beam axles with 4 floatation tires achieves a smoother ride. The trailers are constructed of 12 gauge all welded sides and front panels for maximum strength and durability. The unique two-way tailgate opens from the top or bottom. These trailers are ideal for landscapers, farmers, ranchers, and general usage. The units are designed for off road uses, not to exceed 20 M.P.H.
