ROTARY MOWERS

"HEAVY DUTY" SERIES

THE PERFECT BALANCE OF POWER AND MANEUVERABILITY.

These Gearmore Rotary Mowers are the economical answer for heavy duty use in weed and brush mowing. The mowers feature extra strong I beam side panels, as it is the area that takes most stress and wear. Other features are dual tailwheels for extra stability, floating hatch that follows the terrain, heavy round spindle pan to protect the gearbox, and safety chains front and rear.

L72-60-HD w/standard chain shielding shown
