MOWERS/SHREDDERS

"GCF" SERIES

FRONT OR REAR, MAXIMUM VERSATILITY.

Our "GCF" Series Mower/Shredders are now designed for front or rear tractor mount. To front mount, just rebolt the A-frame to the back of the shredder. Equipped with a rear deflector which in open position discharges grass and allows tractor speeds up to 6 M.P.H., and in closed position contains and further shreds brush to a finer mulch. Just right for use in vineyards, berries and other narrow row crops. Also used by roadsides, parks, rental yards, and general weed abatement.
